

to minimize the duplication of services and promote collaborations so that more students can be served.

(b) An applicant for an Upward Bound Math and Science Centers award must assure the Secretary that—

(1) Not less than two-thirds of the project's participants will be low-income individuals who are potential first-generation college students;

(2) The remaining participants will be either low-income individuals or potential first-generation college students;

(3) No student will be denied participation in a project because the student would enter the project after the 9th grade; and

(4) The project will collaborate with other Federal TRIO projects, GEAR UP projects, or programs serving similar populations that are serving the same target schools or target area in order to minimize the duplication of services and promote collaborations so that more students can be served.

(c) An applicant for a Veterans Upward Bound award must assure the Secretary that—

(1) Not less than two-thirds of the project's participants will be low-income individuals who are potential first-generation college students;

(2) The remaining participants will be low-income individuals, potential first-generation college students, or veterans who have a high risk for academic failure; and

(3) The project will collaborate with other Federal TRIO projects or programs serving similar populations in the target area in order to minimize the duplication of services and promote collaborations so that more students can be served.

Subpart D—How Does the Secretary Make a Grant?

§ 645.30 How does the Secretary decide which grants to make?

(a) The Secretary evaluates an application for a grant as follows:

(1)(i) The Secretary evaluates the application on the basis of the selection criteria in § 645.31.

(ii) The maximum score for all the criteria in § 645.31 is 100 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(2)(i) If an applicant for a new grant proposes to continue to serve substantially the same target population and schools that the applicant is serving under an expiring project, the Secretary evaluates the applicant's prior experience of high quality service delivery under the expiring Upward Bound project on the basis of the outcome criteria in § 645.32.

(ii) The maximum total score for all the criteria in § 645.32 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(iii) The Secretary evaluates the PE of an applicant for each of the three project years that the Secretary designates in the FEDERAL REGISTER notice inviting applications and the other published application materials for the competition.

(iv) An applicant may earn up to 15 PE points for each of the designated project years for which annual performance report data are available.

(v) The final PE score is the average of the scores for the three project years assessed.

(b) The Secretary makes grants in rank order on the basis of the application's total scores under paragraphs (a)(1) and (a)(2) of this section.

(c) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of higher-ranked applications, the Secretary uses whatever remaining funds are available to serve geographic areas that have been underserved by the Upward Bound Program.

(d) The Secretary does not make a new grant to an applicant if the applicant's prior project involved the fraudulent use of program funds.
